

## Make Hemorrhoids A Thing of the past By Using These Great Tips

**Y**ou prefer more natural ingredients for treating your ailments, consider purchasing a salve, ointment, or cream that contains horse chestnut. This botanical product, which is very popular in European countries, can be applied directly to outside **hemorrhoids**. Within minutes, the topical solution may shrink the size of the **hemorrhoid** and offer relief from stinging sensations.

### Dont Expect Laxatives or Even Stool Softeners to Fix a Hemorrhoid

Laxatives are not a long-term solution to the constipation issue that brought about the hemorrhoid in the first place. Also, while a laxative may make the passing of stool easier, it doesnt actually fix the actual hemorrhoid. It just cuts down on symptoms.

- Your hemorrhoid is tolerable but still painful, use a topical hemorrhoid product to aid pain and inflammation.
- Use it for the affected area as needed until you feel better, and maintain applying to keep pain down.
- In the event that pain continues regularly or gets more severe, ask a doctor for a prescription medicine.

### Consume Foods that are High in Fiber to Help You Deal With Hemorrhoids

Fruits like watermelon and grapes, as well as veggies like cabbage and okra, will soften your stool and make it easier for you in order to use the restroom. Continue to include these food types in your diet even after you find relief, they will help prevent the hemorrhoids from returning.
